

A scenic photograph of a lake at Camp Watitoh. In the foreground, a wooden dock with a blue slide extends into the water. Several people are on the dock and in the water. In the middle ground, a large wooden platform with a tower structure is in the water, with people on it. Two blue inflatable rafts are also in the water. The background shows a dense forest on a hillside under a cloudy sky.

SEVENTIETH ANNIVERSARY SUMMER

2006 — The Seventieth Anniversary Summer of Camp Watitoh—was certainly a year to remember. Campers and Counselors from coast to coast and around the world came together to make this milestone year in the camp's history one that we will not soon forget.

All of the great moments of our special 2006 summer are brought back to life on the pages that follow. Who could forget the thrill of seeing the Sailing Team return home victorious with the Berkshire Cup, or watching the ever changing lead in the Olympiad Apache Relay, or the Waiters' stunning upset triumph in Watitoh Gardens? Whether it be land sports, waterfront, evening activities or special events, Watitohans achieved great things in 2006, and these pictures are the story of those accomplishments.

We hope that you enjoy your calendar, and we look forward to seeing you back at Watitoh in 2007...
